## FL-EX is a specially designed Blended - English Language Training Tool (to improve English Language competencies from IELTS™ 4.0 to IELTS™ 7.0+)

FL-EX combines online English Training with virtual monitoring and face to face English Practice Sessions specially designed by expert ESL teachers.

### FL-EX is particularly suitable for

**STUDENTS** needing to improve their English for the classroom and everyday life. FL-EX can be customized to address your particular English Macro-skill needs, providing quality skills enhancement and a customized timetable.

**BUSY WORKING PROFESSIONALS** needing flexible training schedules to improve their English for the workplace and everyday life. FL-EX offers the opportunity for self improvement without the need to adjust your work/life balance to suit rigid class timetables.

**CORPORATIONS** requiring a course of flexible language “up-skilling” for workplace efficiency and risk management. FL-EX caters for different English Language competency entry points and provides quality feedback and evaluation services which can be independently accessed by the HR or Training departments. Specially designed profession-centric classes can be designed to understand and practice the Industry talk and vernacular (“lingo”).

**HOLIDAY MAKERS** wishing a course of study to complement their holiday and/or working experience in an English Speaking Country. FL-EX can help you to improve your English as you experience Australian culture.

### FL-EX is a 6 month easy learning program with the following steps:

- ▶ We determine your level of English and recommend the entry level of study.
- ▶ You study the recommended module of the online EfL – English for Living™ anywhere, any place every day (90-120 minutes per day) with our online guidance.
- ▶ You practise your English in our User Group Forum sessions – cohort learning activities run by trained teachers (13 x 4 hour sessions conducted fortnightly).
- ▶ You apply your new language skills at work, at play, in your studies and in everyday life.
- ▶ You gain confidence and improve your English.
